TAXATION DECISION. The decision of Chief Justice Judd. Justices McCully, Preston and Bickertor, per First Associate Justice McCully -Fourth Associate Justice Dole dissenting-has been rendered in the Kamehameha Schools taxation case, viz.: Chas. R. Bishop, Samuel M. Damon, Charles M. Hyde, Charles M. Cooke and Joseph Schools, vs. Charles T. Gulick, Collector of Taxes for the District of Honolulu. This was an appeal from decision of Mr. Justice Bickerton, jury having been waived, in favor of the defendant, from whom plaintiffs sought to recover \$2,000 taxes paid under protest on lands devised by the late Mrs. Bernice P. Bishop for the support of Kamehameha Schools. The ground of the suit was that the law exempted property belonging to schools from taxation. The gist of the decision is that only property actually in use for school purposes is by the statute exempt from taxation, while property held in trust for producing revenue to the support of schools must pay taxes. As the Collector had not levied taxes on the buildings and grounds in actual use for school purposes, the Court had nothing to decide with respect to that class of property except by way of incidentally expounding the law. Mr. Justice Dole's is that only property actually in use for expounding the law. Mr. Justice Dole's tain a little nourishment sufficient to
